

## Book Sale

These books are from my personal bookshelf. I'm needing to finally make room on the bookshelves now that I have had an electronic book reader for almost 3 years. ~smile~

All books listed as "G/VG" are in good or excellent condition (not new condition, but pretty close – some paperback book corners have gotten just a tiny bit bent; some hardcover jackets are a little worn). Others are listed with a comment to indicate how worn they might be (not too many of those). Almost all the books were purchased new (most within the last 5 years) and have been handled with care but have been mostly stacked in bookshelf piles.

Fiction Authors are listed first and are in alphabetical order.

Non-Fiction books are listed towards the end, according to categories.

Formats indicate whether the book is hardback (H) or paperback (P). Some of the paperbacks are the larger sizes.

Books are sold based on first request received.

We are expanding this to benefit the fundraiser for Michelle's Volleyball Mission Trip Fundraising. After May 31, any remaining books on this list will be donated to a library's benefit sale.

All Paperback books in this list are \$.50 each, even if there are multiple stories in the book.

All Hardback books in this list are \$1.00 each, even if there are multiple stories in the book.

Make checks for books payable to: **Athletes In Action**. Do NOT include Michelle's name anywhere on the check. (IRS rules) Contact Michelle directly (or this website's Contact Us form) to provide your donation check.

\*\*\*Locals – you are welcome to pick up the books and save on the shipping charge or we can work out delivery details.

Otherwise, shipping is via Media Mail to decrease the shipping cost that you will have to pay or you can choose Flat Rate shipping.

For shipping, make separate check payable to Marie Rice. Before writing the check for shipping, please specify whether you'd like media mail or flat rate shipping and we'll be able to tell you exactly how much the shipping will be. (No additional fees are added – just the actual shipping charge.)
