

The Beach

Gulls screaming above, circling
overhead. The sea oats bending
and bowing to invisible kings
in the salty wind. Glittering
sand snow white lies under
the littering of brown and red
bodies on beach towels. Radios
blare with the latest rock
tunes on favorite stations. Suntan
lotion mingles with the smell
of food and the salt air.
All these with the glaring sun,
provides the beach with a beauty
all its own.
